Results in Electronic Format

Once scored, your results will be available to view and download from your account on the **Drumcondra Online Testing System (DOTS)**. We will email the school when your results are available to view and download. Please download the results immediately and store a copy safely on your school's network.

After scoring, answer sheets will be retained by the ERC for 6–12 months, and will then be **securely shredded**. Data stored on the DOTS site is deleted in the December of the subsequent school year.

Important: Please check all answer sheets **before** posting to ensure they have been completed in accordance with the guidelines in the Administration Manual. Erase any stray marks. Where an answer has been changed, the unwanted answer should be **erased**, not crossed out. Rejected answer sheets may be returned unscored.
